Section III – Belief

We hold to the basic truths of historic Christianity; the inerrant and infallible Word of God; the creation and fall of man; the Trinity; the deity and virgin birth of Jesus Christ; substitutionary atonement, bodily resurrection, ascension, personal return of Jesus Christ; the regeneration of believers; bodily resurrection and final judgment of all men and women; a literal heaven and hell.

Blinn and is in good standing with the University or College with the minimum cumulative and semester GPA of 2.00.

Section III – Selections Process

- A. The active members will vote on the number of pledges, between 26-30, to accept into the pledge class by a simple majority vote at the time of the Pledge Trainer's choosing. The number of newly accepted pledges plus the active members cannot exceed 95. Applications for membership will be available at the beginning of the academic year, followed by mandatory selection functions and interviews. The active members will vote on prospective members by a secret ballot. After the ballots have been cast, the distribution of votes will be displayed from highest number tallied to lowest number tallied, without displaying the names of the prospective members. The active members will then vote on the number of pledges to accept into the pledge class by a simple majority vote at the time of the Pledge Trainer's choosing. The number of newly accepted pledges plus the active members cannot exceed 95
 - 1. Active members will be required to attend all selections week functions deemed mandatory by the acting Executive Council. This includes, but is not limited to all interview sessions and the voting session. Failure to appear at any of these mandatory events without written and approved excuse from the Executive Council, may result in the member being placed on inactive status for the current semester
 - 2. Tardiness at the voting session will result in the following actions:
 - a. If the member is under 30 minutes late, a \$10 fine will be assessed
 - b. If the member is over 30 minutes late, but less than 60 minutes late, a \$25 fine will be assessed
 - c. If the member is over 60 minutes late to the voting session, that member's active status will be reviewed by the EC
- B. Pledge Responsibility
 - 1. All pledges must attend all pledge meetings and general meetings. Only two unexcused absences will be allowed per semester. Only University or Blinn recognized excuses will be accepted, or if the member has a scheduled class, lab or other mandatory scholastic function. The Vice President must approve any other reason for absence. Pledges are required to attend at least 2 service projects per semester by the end of pledgship. Pledges are also required to attend the pledge retreat. Failure to do so will count as two absences
 - 2. All pledges are required to have interviews and receive signatures from every active member in an allotted time period to obtain active

membership. Failure to receive all signatures in this time will result in removal from the organization

3. If the conditions of monetary or attendance policy are broken, the pledge will have to meet before the EC and his status will be discussed
4. Other responsibilities will be determined during the pledgship by the Pledge Trainer and/or Executive Council

Section IV – Attendance

All members have mandatory attendance at meetings. Members also must attend at least the number of service events as set by the Service Chairman. A \$25 fine will be assessed at the end of the semester for each service point not reached. Members must attend the retreat each semester. Members must attend a Bible study throughout the course of the semester. Members themselves are required to attend the Parent's Banquet in the Spring. Anyone may be excused from attendance by the Vice President, according to his judgment. An unexcused absence will result in a fine equal to the “cost of the plate” for the absent member as determined by the Vice President. Any fine given will be to cover that one missing member’s single plate, nothing more. No more than 3 unexcused absences per semester will be allowed. Penalty for an unexcused absence to a meeting is 1 absence. Penalty for not attending a Bible study session is 1/2 absence. Penalty for missing the retreat is 2 absences. Penalty for missing the philanthropy event is 2 absences. The Vice President must approve excused absences before the event takes place.

Section V – Probationary Procedures

The forms of probation are outlined below:

A. Removal from Organization

If any current member represents themselves in a manner that directly conflicts with our core beliefs in relation to the BCA constitution, they will enter into the following probationary period.

Step 1: Informal conversation with Executive Council

Step 2: Formal meeting with Executive Council, followed by decision regarding probationary status

Step 3: If probationary guidelines are met with lack of repentance, a meeting will be made involving the probationary member, president, and academic advisor.

Step 4: Following the meeting with the academic advisor, formal advice will be given by the advisor. EC will then vote upon the decision involving the probationary member, in which a 2/3 majority must be reached. If following any of the steps, the current member does not meet these actions with repentance,

they will continue upon to the following step. If at the end of Step 4, the member does not meet these steps with repentance, they will be removed from the organization. *These practices include and pertain to the alcohol and tobacco policies.

Biblical texts relating to this policy: Matthew 18:15-17; Romans 14:13-23; 1 Corinthians 5:9-11; 1 Corinthians 8:7-13; 1 Corinthians 10:23-33; Ephesians 5:18

Monetary Probation

- a. Failure to pay dues by the posted due dates or pay for a function not covered by dues results in immediate monetary probation unless excused by the Treasurer. An additional \$25 fine will be owed every week past the posted due dates. Once the Treasurer receives dues and fines, the probationary status is lifted. Members on monetary probation may not attend any BCA social functions. If a member on probation has not paid their fines by the end of the semester they will have until the beginning of the second meeting of the following semester to meet with the Executive Council to pay their fine or face forced inactive status.

Attendance Probation

- b. Probation begins the ensuing week from any offense that leads to greater than three unexcused absences and continues until the end of the semester. An additional \$25 fine is owed for every unexcused full or half absence after the three allotted. The fine will be due at the end of the week of when the infraction occurred. Members who fail to pay by the due date will be placed on probation. If a member is on attendance probation, they may not attend any social functions. Once payment of the fine is received and a verbal re-commitment to mandatory functions is made, the offending member will be removed from probation. If a member on attendance probation commits a third offense at any time within a semester, the member will be contacted by the Executive Council to discuss their membership status. If a member on probation has not paid their fines by the end of the semester they will have until the beginning of the second meeting of the following semester to meet with the Executive Council to pay their fine or face forced inactive status. Determination of extenuating circumstances resulting in offenses shall be voted on by the Executive Council

Section VI – Inactive Status

In order to be considered active, every member must sign a contract committing to meet all of the requirements designated in the constitution. If this contract is not turned in by the second official meeting of the semester, that member will be assumed to be inactive. Signing the contract indicates acceptance and understanding of the rules and

expectations of active members found in the constitution. No dues or mandatory functions are required of inactive members yet are encouraged. A member on inactive status cannot attend BCA social functions unless they receive the approval of the Executive Council by a simple (50% +1) majority vote. Special expenses for an inactive member will be assessed to cover the costs of attending.

Section VII – Alumni Status

If a member holds inactive status, forced or voluntarily, for 2 consecutive semesters, their status will automatically be changed to Alumni status. Alumni status is no longer holding membership within BCA. Alumni status still allows for reinstatement to an active member status with a 50% + 1 majority vote, as long as all constitutional active member requirements are met. Alumni seeking reinstatement need to contact the Vice President before the first official meeting of the semester to schedule a vote at the first official meeting for active member reinstatement.

Section VIII – Substance Policy

At no time shall an alcoholic beverage or tobacco product be served at any BCA function. Members shall not consume an alcoholic beverage at any BCA function. Tobacco use is also prohibited at all BCA functions, with the exception of sigs. Members shall not buy, consume, or use alcoholic beverages or tobacco products while wearing BCA apparel in public.

At no time during a BCA event, may tobacco or nicotine be consumed. This prohibited consumption at any BCA event includes vaping. These BCA events include, but not limited to retreats, bible studies, meetings, philanthropy events. Current members of BCA must abide by the laws of the state in which BCA events and trips take place. In regard to out of state BCA trips, any non-member of BCA on a BCA trip is subject to the rules of BCA constitutional rules. In reference to international BCA trips, the specific guidelines for the trip will be set prior to the trip by the current Executive Council.

Members shall conduct themselves with wisdom and discretion when wearing BCA apparel at places where alcohol is consumed in excess so as not to associate BCA with the abuse of alcohol. Members shall also conduct themselves wisely should they choose to consume alcohol or tobacco in a public place so as not to hinder the spread of the gospel nor cause another person to stumble. Members shall not consume alcohol such that their behavior is out of control. Members at no time shall arrive intoxicated to any BCA function or meeting. No member under the legal drinking age shall consume an alcoholic beverage at any time. Use of illegal substances will not be tolerated.

Biblical texts relating to this policy: Matthew 18:15-17; Romans 14:13-23; 1 Corinthians 5:9-11; 1 Corinthians 8:7-13; 1 Corinthians 10:23-33; Ephesians 5:18

Section IX – Hazing Policy

No member at any time should commit an act of hazing. Hazing is any intentional, knowing, or reckless act, occurring on or off university property, by one person alone or acting with others, directed against a student that endangers the mental health, physical health or safety of a student for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in any given organization. For further clarification see Appendix VI of the TAMU Student Rules. Any infraction of this or University policy results in immediate removal from the organization.

Article IV: SELECTIONS

Section I – Time Period

The selections process for the Brotherhood of Christian Aggies will take place sometime in the beginning of the Fall Semester. The President will designate the selections period and required events the active body must attend to be eligible to participate in selections procedures.

Section II – Application and Application Scoring

The application will be constructed and reviewed by the executive council, then made public no fewer than two weeks before the application is due for submission. The application for admission must be submitted by an applicant ahead of the day of their formal interview for BCA at a time designated by the executive council. This application must be scored anonymously by an active member of BCA that is participating in the full selections process. Scores will be given on a scale of one to nine with five being an average score. The President will designate a due date for these application scores to be submitted by actives. Following all application scores being submitted the President will release a list so that general members can know whose application they scored.

Section III – Interviews and Interview Scoring

The interview process should be a three-hour event (in some cases taking place multiple nights) where potential new members come to interview with as many BCA members as time will allow. In the case of multiple interview nights, a potential new member is required to attend one (and only one) to be considered for admission into BCA. Active members should take notes on applicants before submitting scores for each interview at the end of the evening before leaving the interview room. Again, these scores will be on a scale of one to nine with the average being a score of five.

Section IV – Selections Meeting

Selections meeting will take place at a time and location designated by the President. The President will designate the amount of time allowed to discuss each applicant. Included in considered material for admission into BCA include but are not limited to: Application Score, Interview Score, Class Year, and Social Interaction with members. During the allotted time period any active member can stand and voice their input on an applicant. Any personal attacks made on an applicant that are not constructive will be met with a single warning. If comments continue after a warning is given by the President that active will be removed from the voting meeting forfeiting his ability to vote.

Section V – Voting

Voting for new membership will take place immediately following the end of the selections meeting. The President will send out an electronic avenue to vote for new members. Members have the opportunity to vote for as many individuals as there are spots in the upcoming new member class. Voting data with names is only to be reviewed by the President. After reviewing votes, the President will share his opinion on further action with the Vice President and the Pledge Trainer as regards to cuts, re-voting, tie breaks, etc. After consensus the rest of the Executive Council will be informed on the decision.

Section VI – Discussing the Selections Process

For no reason is the selections process in any way to be discussed with a non BCA member. Topics include but are not limited to: decision making, scoring, selections meeting, voting, etc. If an active is found having discussed the selections process with a non BCA member his active status will be reviewed by the executive council. If an executive council member is found having divulged information that he is privy to as an executive council member his position on the executive council will be reviewed by the active body under the removal of an officer procedure.

Section VII – Selections Leadership

The President will be the head of the selections process. He is required to communicate all information to other executive council members and active membership as appropriate.

If a current member reveals their nomination during a public meeting, the person who spoke will be removed and not allowed to nominate or vote. The current President will preside over the Executive Council voting meeting, with the support of Executive Council positions filled by outgoing Seniors. Upon nomination, a current member then decides which position they choose to run for. If a current member is nominated for all positions, the member is able to choose up to four positions to run for, but there may only be one position chosen to run for per tier. If a current member is nominated for multiple positions within a single tier, that member must select a single position within one tier for which to run for.
